

20 September 2021

Dear Parents/Guardians,

Updates on Covid-19 Measures in BRPS from 21 Sep to 6 Oct 2021

1. With the recent rise in Covid-19 community cases, the Ministry of Education (MOE) will be implementing additional precautionary measures for primary schools in the lead up to the start of written papers for the Primary School Leaving Examination.

2. **P3 to P5 APEX and Remedial Lessons on 21, 23 Sep and 7, 14 Oct:**

In view of the new announcement regarding HBL, face-to-face P3 to P5 remedial lessons and APEX (Math & Science) lessons will be suspended on 21, 23 Sep and 7, 14 Oct. These lessons will be replaced by SLS lessons for all students.

To provide continued support for our graduating cohort, P6 supplementary lessons and Road to Excellence (RTE) sessions will continue to take place as per normal from 21 to 24 Sep.

3. **P3 to P5 End-Of-Year Oral Examinations:**

- 3.1 Please note that there will be no P3 End-Of-Year Oral Examination. However, EL and MTL teachers will provide opportunities for oral practice during the HBL period, although this will not be weighted for examination purposes.

4 Home-Based learning from 27 Sep to 6 Oct:

- 4.1 From 27 Sep, all MOE schools will shift to full Home-Based Learning (HBL) till 6 Oct.
- 4.2. During the period of full HBL, we will provide instructions and support for your child to access a range of both online (asynchronous or synchronous) and hardcopy HBL resources so that learning can continue. Please see Annex A for the HBL schedule for the different levels. The schedule will also be posted on the school website and Student Learning Space (SLS). Your child will be provided with instructions on how to access their HBL materials by his/her teachers. The full HBL will cover all subjects, including Character and Citizenship Education (CCE) and Social Studies (SS), so that our students will continue to benefit holistically from a broad range of learning activities. They will be designed to allow students to complete them independently.
- 4.3. We encourage you to support your child by providing a conducive environment at home. You could do this by:
- Working out a daily schedule/routine with your child and guiding your child in setting goals and scheduling tasks. For further tips on guiding your child in setting goals, refer to the Resilience Boosters at <https://go.gov.sg/selresforparents>.
 - Establishing an agreement with your child on managing screen time. We will assign a maximum of 2 hours of online learning every day.
 - Encouraging your child to maintain an optimistic and positive outlook while accepting the changes and emotions that he/she has had to face as part of going through HBL.
- 4.4. If your child requires additional support for HBL such as access to digital devices or internet connection, please alert his/her form teacher, who will be able to advise on alternative arrangements.
- 4.5. If your child needs learning or emotional support, he/she can approach our teachers and other school personnel such as our allied educators and school counsellor, who will continue to work from home or from school. Our teachers will also be in regular contact with you and your child.
- 4.6. The Student Care Centre (SCC) will remain open during this period. Please contact SCC at 94596376 for any enquiries.
- 4.7. Please ensure that your child stays at home and continues to observe good hygiene practices such as washing their hands frequently with soap. If he/she feels unwell, please seek medical attention promptly and inform his/her form teacher if he/she displays any fever or flu-like symptoms.
- 4.8. We will resume classes on 7 October. P1-P5 students are strongly encouraged to do an Antigen Rapid Test (ART) swab test at home either on 4 or 5 Oct, before they return to school. For P6 students, they should do an ART swab test on either 27 or 28 Sep before the start of their PSLE Written Paper. MOE will continue to closely monitor the Covid-19 situation and we will keep you updated if there are any changes. We urge you to rely on official sources of information and not to circulate any unconfirmed information. If you have any further queries, please contact the General Office at 62717387.
- 4.9. Thank you and do keep safe!

Yours sincerely,

Francis Foo
Principal
