Dear Ms Sharon,
I really enjoyed listening to your responses. I have learnt more about you and the stories behind your book. Thank you for the interesting session!

Thank you, Ms Sharon for putting together all the videos. We could feel the warmth and care you have for us. Now, we know that writing *What Sallamah Didn't Know* took a year to write and there were many rounds of editing. I hope you will be able to finish writing your next book soon.

Dear Ms Sharon, thank you for accepting the interview with us during the Circuit Breaker period. We have learnt a lot from you.
